# LINCS Math Tour (save the date):

**Trainer:** Heidi Schuler, AE Instructor – Technical College System of Georgia

**Dates:** Wednesday, April 23rd, Thursday, April 24th, and Friday, April 25th

**Times:** tbd (1/2 day each – one morning, one afternoon)

**Locations:** tbd (contact your AEC if you're interested in hosting)

## **The Components of Numeracy:**

Tools for Engaging Learners in Meaningful Math This hands-on workshop explores ways to add context to the math content already being taught and to help learners develop reasoning and problem solving skills. Teachers learn to enhance instructional activities to meet learners' needs and explore strategies to increase their ability to apply the math content in a variety of real-life contexts.

## **Preparing Students for College-Level Math:**

This workshop explores various strategies to prepare adult education students for success in college level mathematics. Math anxiety, math journals, goal setting, college placement exams, and math labs are some of the topics that are discussed in the session.
